*Options may differ from those pictured

Shock absorbing airtight buoyancy chambers

Inboard Tie Down Points

9 * Buoyancy Sections

1 * Grab Rails / Entry Exit Rungs

1 * Dual EyeTrailer / Tow Hitch Point

Dual Eye Anchor Shackle Tie Down Point

OCEAN CRAFT 2019 state of the art production model latest OCEAN CRAFT 7600

HD BEAMY - BEAMY!?! Max. Trailerable width because the beam width is actually 2.4 metres (not 2.1 metres as for other boats) which means more buoyancy, more stability and more cargo on board with more space to put it; isn't that why you bought OCEAN CRAFT in the first place!?! OCEAN CRAFT Heavy Duty BEAMY across the Range Standard 2.4 metre Beam on all boats from 4 metres and up and - nothing less

Don't delay today's the day order now.
